

TSK 189851 IBM CLOUD ACCOUNT

The screenshot shows the IBM Cloud catalog page for the Internet of Things Platform. The page is in a dark theme. The main heading is "Internet of Things Platform" with a subtext: "This service is the hub of all things IBM IoT, it is where you can set up and manage your connected devices so that your apps can access their live and historical data." Below this, there are tabs for "Create" and "About". The "Create" tab is active, showing a "Select a location" dropdown menu with "Frankfurt (eu-de)" selected. Below that is a "Select a pricing plan" section with a table of plans. The table has three columns: Plan, Features, and Pricing. The "Lite" plan is selected, showing features like "Includes up to 500 registered devices, and a maximum of 200 MB of each data metric" and a pricing of "Free". On the right side, there is a "Summary" section with details: "Internet of Things Platform", "Location: Frankfurt", "Plan: Lite", "Service name: Internet of Things Platform-60", and "Resource group: Default". There is also a "Create" button and a checkbox for license agreements.

The screenshot shows the IBM Watson IoT Platform landing page. The page has a dark background with a large "Things" logo in the center. To the left of the logo, it says "Collect data from" with an icon of a cloud and a factory. To the right, it says "and make value from it" with an icon of a lightbulb. Below the logo, there is a "Learn More" button. In the bottom right corner, there is an "Activate Windows" message with a link to "Go to Settings to activate Windows." The top of the page shows the "IBM Watson IoT Platform" header and a "Sign in" button.
